□ 次の英文を読み、以下の設問に答えなさい。(各 3 点 配点 15 点)

The ball rolled out into the street. Danny stood on the lawn watching as it moved farther and farther from him. The impulse to run after it was strong, but something another was stronger. It was the image of his mother, who was usually so nice, screaming and crying, telling him never to run out into the street again. Danny knew, of course, that cars moved fast there and could hurt him, but it was the picture of his mother crying that kept from chasing the ball this time. So he stood, doing nothing, because he didn't know what he should do.
